*faith · hope · love*

women's conference

Have you ever noticed that life can get complicated and messy without us really trying?! We can pare back, throw out, and seek to declutter our *stuff*, and yet ... we can still be left with a lingering sense of unease and strain, unless we receive a fresh awareness of being part of our Father's BIG picture.

Come and take this time with us on the **27th May**, as we make room to draw near to what truly matters in the light of eternity: FAITH, HOPE, and the greatest of all - LOVE.

I'd love to see you there,  
Blessings Friends!
